Now, more than ever before, people need to get together. If we are ever to live in a world which is united and peaceful, we must unite all the peoples in the world, or be destroyed.

Winslow High School is only a very small portion of the world, but we are part of the make up of mankind. We as citizens of these United States, must begin the strive for unity by working together. THE TIME IS NOW.

"COACH"

1972 ANNUAL DEDICATEE

Mr. Nasser was a graduate of Miami High School in Miami, Arizona in 1939. He attended college at ASC in Flagstaff, Majoring in physical education. Upon graduation, he went into the service. In 1947, Mr. Nasser came to Winslow as the rookie coach of WHS.

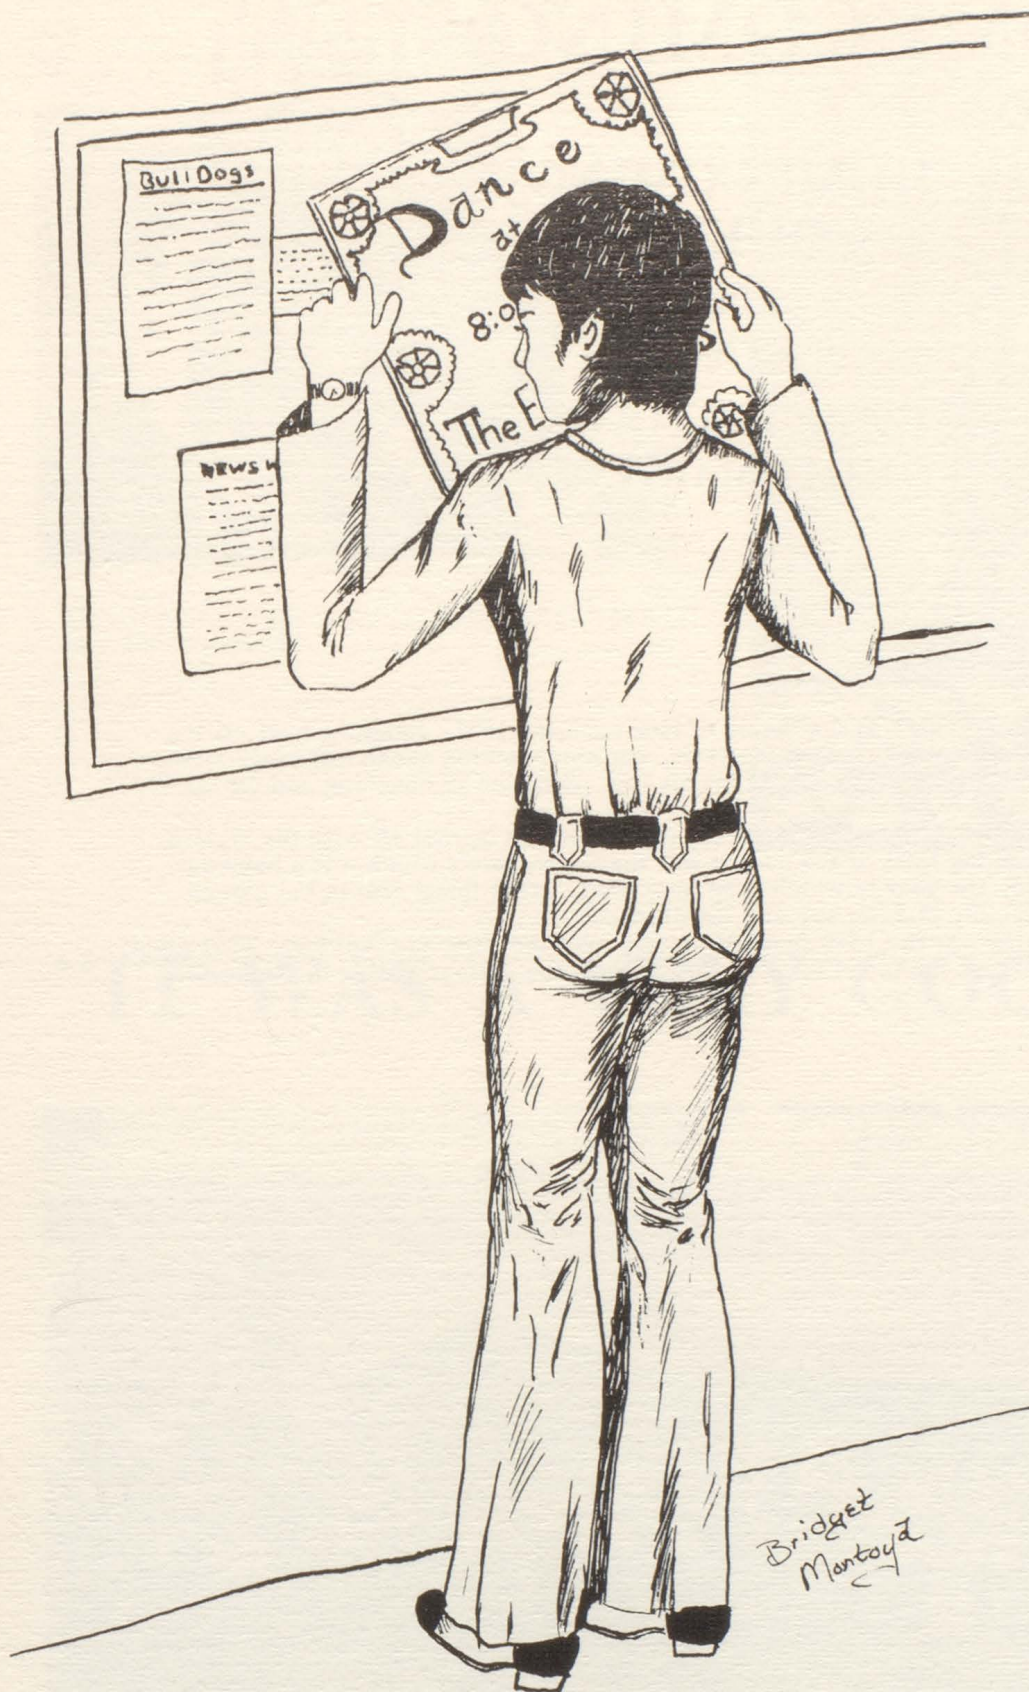

During the past twenty-five years, this teacher has given outstanding service to the school and his community. His football record includes 5 Northern Conference Championships, 1 State Championship, and twice second in the State; this includes an over-all record of 161 wins, 61 losses, and 4 ties. Besides being the BEST football coach, he has also coached track and basketball.

Mr. Nasser is presently the Dean of Arizona High School Football Coaches and was elected to the Arizona Football Hall of Fame. To honor this man, Winslow held a "Nasser Day" on October 29, 1971, for his twenty-five years of outstanding service to WHS and to Winslow.

The annual class is honored to elect this year, Coach Emil Nasser as the Annual Dedicatee for 1972.

A familiar sight to everyone at WHS--Coach directing the team in his usual energetic manner.

HOMECOMING '71

HOMECOMING QUEEN AND KING

CYDNEY MCLAWS
TOMMY MARTINEZ

"It was a very Good Year..." This was the theme of Homecoming 1971. Reigning over all the gay festivities were Cydney McLaws and Tommy Martinez, our homecoming queen and king. Homecoming dedicatee this year was Mr. Stotts, honored for his fine assistance in coaching and for his teaching.

On the afternoon of October 15, 1971, the homecoming parade was started off with the W.H.S. Band leading the way. The winning float of the parade was the Sophomore's which was a baby carriage, depicting the year 1956, the year in which they were born. Other floats also in the parade were the Freshmen, Junior, Senior, D.E.C.A., and Reach-Out.

The highlight of the evening was the 16-8 football victory over the Kingman Bulldogs. That night, the music of the "Exotic Blues" set the mood for a victory dance--the perfect ending to the perfect day.

Our band waits for the starting signal at the beginning of the Homecoming parade.

The crowning of the queen....and then it was a very good "moment."

"IT WAS A VERY GOOD YEAR"

The royalty and attendants; from left to right: Clydel Atkins, Rosemary Ewan, Tony Hopper, Raylene Jenkins, Cydney McLaws; queen, Tommy Martinez; king, Lorene Nichols, Rob Neill, Janet Freeman, James Davis.

72 DITCH-DAY

Elaine Peterson and Susie Peterson stand and shiver as Linda Keller demonstrates her splashing ability on Moreau Walter's arm.

Justin Mallette demonstrates his unique swimming ability.

AAAA! It's cold.

Pull! Get me outa here!

WAS FAR-OUT!!!

Mary Hadukavich violently protests getting dunked, but to no avail

Come on, sport, help me out!

1. Thomas Rice entertains the audience with his version of "Where Have All the Flowers Gone".

2. Mr. Arthur, as he enthusiastically directs one of the various an varied numbers on the program.

CHORUS VARIETY SHOW

2

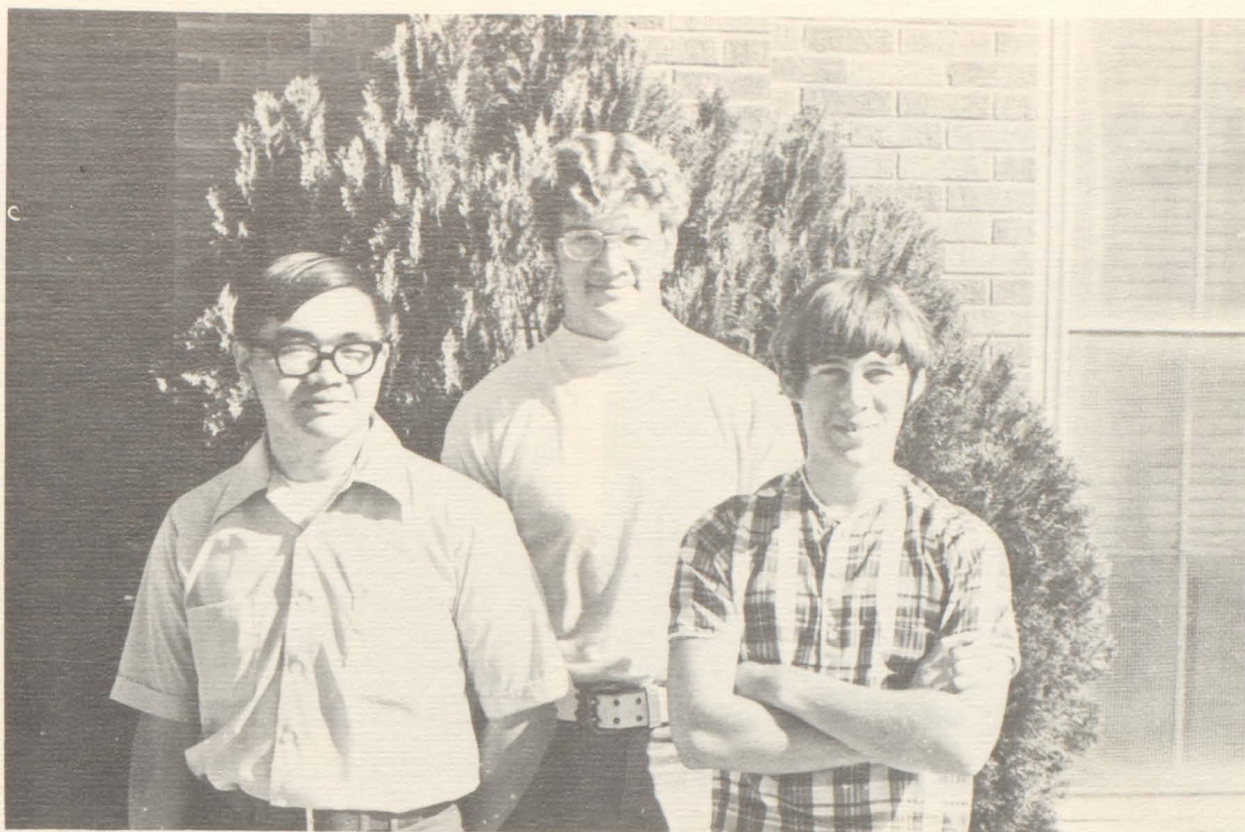

3

On October 21, 1971, the W.H.S. Chorus presented their annual variety show, "The Roaring Seventies," under the direction of Mr. William Arthur. The chorus presented a few numbers including "Moon River" and "Bridge Over Troubled Water".

Toynette Tanner and Gwen Sorenson sang "Softly A I Leave You" and presented the ever popular story, THE THREE BEARS. Always in demand, Sandra Brown and Mary Alice Hayes gave a soul-rocking dance routine. To top it all off there were the two mistresses of ceremonies, Paula Cullum and Gwen Sorenson, who really livened up the show. Altogether it was a most enjoyable presentation.

A variety of songs, skits, and other acts were also presented in their usual sizzling style.

At the annual youth day banquet, many students were honored for their accomplishments and services to and for the community. Besides being a help to the community, the students are also noted for their activities in the High School. Mr. John Mansour, executive secretary of the Arizona Association of Student Councils, was the main speaker of the banquet.

He congratulated the students on their great work, and encouraged those who are still in high school to keep up the good work. To the ones that are leaving the school, he said a very nice congratulations. Every year students are honored at this event, and it's always great to see so many students who work hard to try and accomplish some recognition in society. Every year this event is sponsored by the Elk's Lodge No. 536.

Mr. John Mansour, guest speaker gives a speech to the honored students at the youth day banquet.

JR. CLASS PLAY

This year the Jr. class chose "Up the Down Staircase", as the play for 1972. This play involves a school teacher's first experience in teaching.

She finds the students to be somewhat insolent. The pupils have no intention of letting Miss Barrett enjoy her teaching. Although the students try their best to destroy Miss Barrett's will for teaching, she still struggles with them.

Miss Barrett wins her battle with the students. The students become both learners and friends.

The "class" settling down.

BIG TOP '72

Vince and Darlene--Big Top King and Queen.

After a year's rest, Big Top was back again this year on March 11, 1972. This year's theme for Big Top was "Getting Together," because this is what it is all about, now. Vince Juarez and Darlene Nicols were chosen as queen and king to reign over the Big Top. Various songs, skits, and routines were presented that all tied in with this theme. There was poetry read, the Meteorettes performed their routines, and songs and skits galore! As usual, there was the battle of the bands, featuring "Ironwood," "Mantis," and the Key Club kazoos. Altogether it was an enjoyable evening of entertainment with everyone getting together!

Soul dancers--Ronnie Van and Kathy Matthews

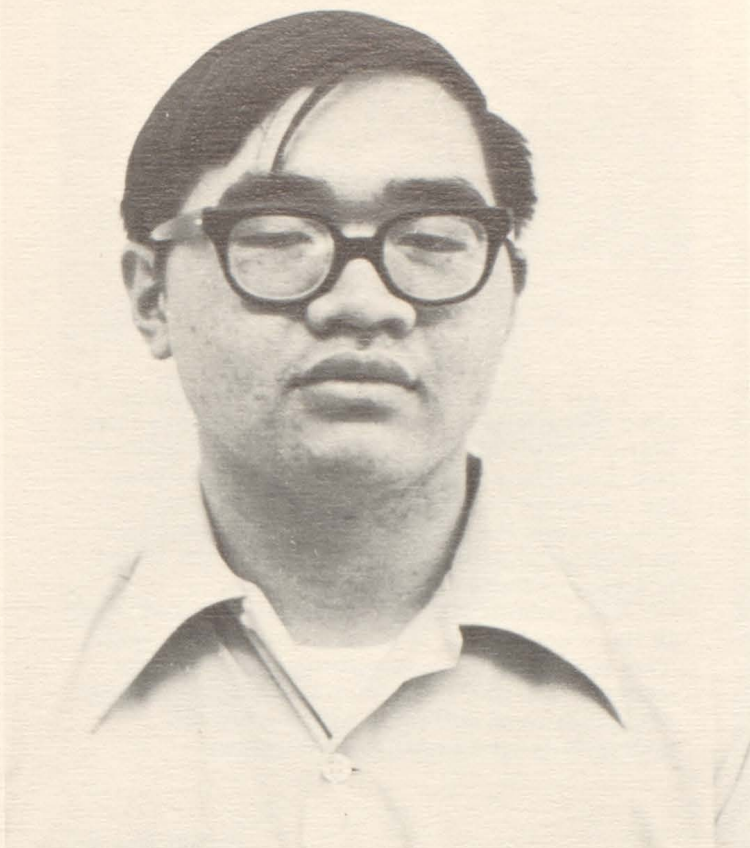

Rocky Rejuvenator and Nick Nastinator, alias Linda Keller and Diane Heartz.

Lorena--Key Club Sweetheart

KEY CLUB SWEETHEART

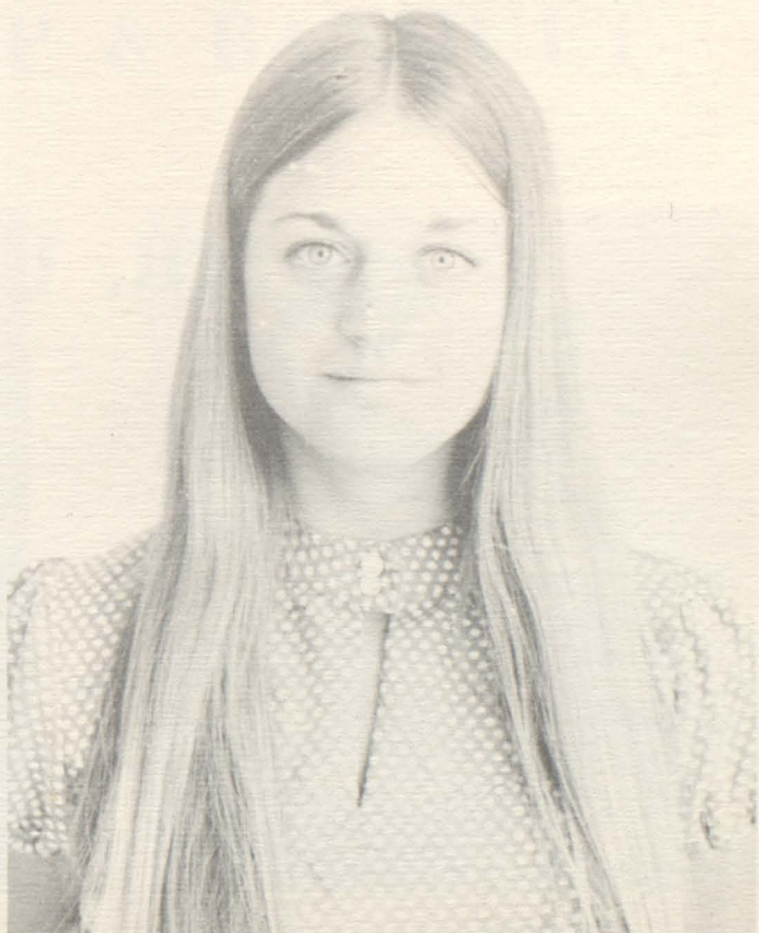

This year the Key Club selected Miss Lorena Nichols as their Sweetheart. She was a Miss Merry Christmas candidate in her Junior year and a Homecoming candidate in her Senior year. She had the lead part as Catherine Marshall in the Senior play. Lorena was crowned at the annual Key Club Western Stomp on March 24, 1972.

This year's annual class elected Mark Soo Hoo as 1972 Annual King. Mark was a freshman class representative and received the freshman scholarship. He has been in Science Club for three years, and was president of the club his senior year. Mark has been a member of Honor Society for two years, and was treasurer his senior year. He was a Boys' State delegate in 1971. He was the state winner of the Masonic Essay contest in his junior year and second place winner in his sophomore year. Because he is very active both in and out of school, we proudly elected Mark as Annual King 1972.

ANNUAL KING MARK SOO HOO

This year the annual class elected Miss Elaine Peterson as the 1972 Annual Queen. Elaine has been active in school activities during her years in high school. She has been a member of GAA for four years. She was secretary during her junior year and president of the club her senior year. She has been in Pep Squad for three years. Elaine was a Big Top Candidate and a gymnastics letterman during her sophomore year. She was S-Club corresponding secretary of 1972 and senior class representative. Elaine has been a Mat Maid for two years. She was in the senior play cast. Because of Elaine's accomplishments in high school, we are proud to elect her as the 1972 Annual Queen.

ANNUAL QUEEN ELAINE PETERSON

MISS MERRY CHRISTMAS

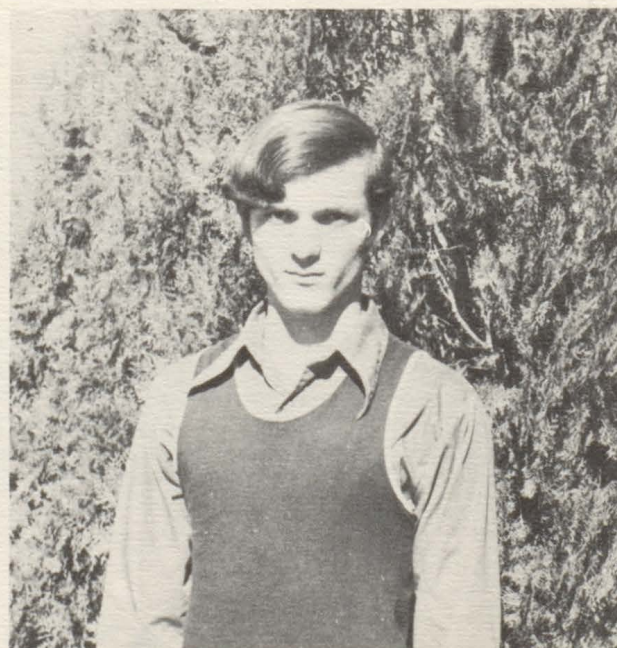

Every year the students of the high school have the privilege to elect a candidate as Miss Merry Christmas. There is always great competition from the classes in the school. This year the freshman class collected the most cans, thus winning the competition. The class chose as their candidate Miss Judy Kalisz. Miss Kalisz is a very active member in her class.

This contest is a favorite of all the students in the school as all of them seem to participate. This is and was a great activity to and for the students as a sort of recreational purpose. Many can goods were collected which go to the underprivileged families in Winslow.

MR. UGLY

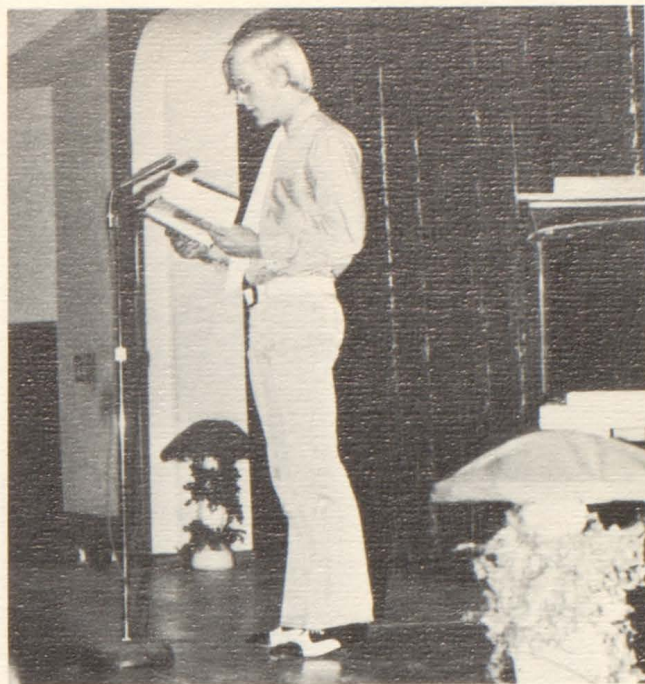

This year the meteorettes of the Winslow High School again sponsored the annual Mr. Ugly contest. With all of the hard work and participation of the students, this event came out to be very successful. In the end it all paid off with the choosing of Lew Argetsinger as the Mr. Ugly for the 1971-1972 school year. Lew was only one of the many competitors for this event which was exciting.

Besides being the Mr. Ugly guy for this year, Lew is also very active in the athletic program of the school. For example; he's very active in football, basketball, and track.

Senior president Cydney McLaws hosted the banquet.

Wayne Smith read a selection of poetry.

— SENIOR PLAY

Allen watches intently while Dr. Marshall prepares himself as an Arab Shiek.

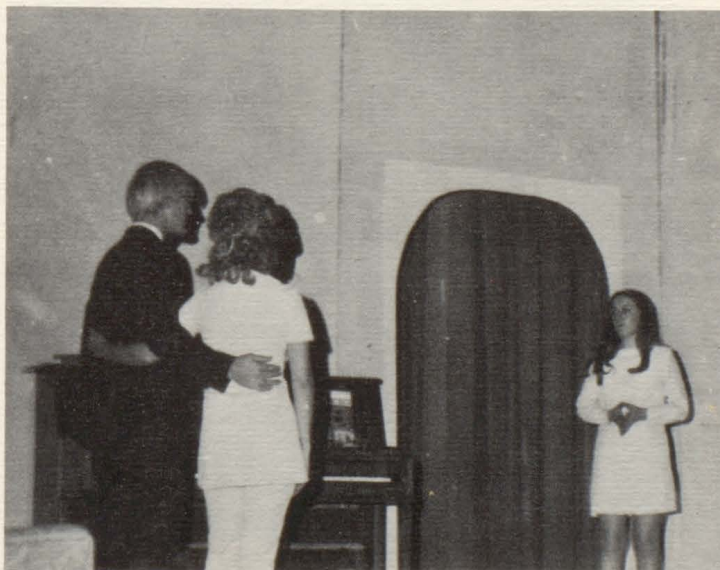

"Juveniles aren't always delinquents." says Dr. Marshall.

"You have no business in our family affairs."

Occasionally in the history of men, we find an individual who seems to have wholly dedicated his talent, and his energy, his entire life to God and His service. Such a man was Peter Marshall, whose story we told in the Sr. Play. He was opposed by many people because he brought something different into traditional, sometimes "stuffy" religion. His wife suffered tuberculosis. He's suffered a severe heart attack, returning to full time ministry upon recovery. His dedication remained to the very end.

Susan questions the Marshall's about marriage.

Susan says, "If you can wait just a few more months."

ONCE UPON A TIME

Mark Faucher, King; Elsie Johnson, Queen; Wayne Smith and Elaine Peterson, Attendants.

It was a night of dreams, a night when all your wishes came true. These few statements aptly describe this year's Junior Prom, held on April 29, 1972. The fair young maidens were escorted by their prince charmings into the midst of a starry dream. This year the court was ruled over by the King Mark Faucher, and Queen, Elsie Johnson. This night was one to remember as the night of dreams come true, "Once Upon A Time".

SENIOR CLASS POEM

Underclassmen, look at us.
You thought we'd never make it.
It goes to show what you can do
Even if you fake it!

Yes, we're the class of '72"
As yet, the best by far.
We're athletes, actors, actresses,
Musicians, mechs on cars.

We've won a lot of float contest.
We worked till hands were swollen.
Nothing but the best was used,
Though most of it was stolen!

We took the 'State' in Track this year;
Gymnastics took it, too!
But now we're leaving this behind,
Next year it's up to you!

So carry on and don't give up!
You'll make it so don't doubt us.
Just buckle down and try real hard
To get along without us.

At the combined Baccalaureate and commencement exercises, the two Marks gave their Salutatory address based on a quotation from Lord Brougham: "Education makes a people easy to lead, but difficulty to drive, easy to govern, But impossible to enslave."

On the first day of school this year, the class of "74" entered the crowded halls of WHS with happy, carefree faces. But as the year opened, the sophomores were given a better picture of life and what it has to offer. From the squeamish dissection of frogs (ich!!) to being able to drive a car for the first time, the class of "74" was given an added sense of maturity and responsibility.

This year the sophomores were also kept busy by sponsoring Twirp Week, holding a dance after the basketball game, collecting can goods for the Miss Merry Christmas Candidate, as well as constructing a first place Homecoming float.

All in all, the year turned out to be very productive and memorable for the class of 1974.

BULLDOG BARKS

The Bulldog Barks, official publications of the student body of Winslow High School, of the Journalism Class of Winslow High School.

The tasks of the Journalism Class are sometimes tense, sometimes exciting, but more often it is long hours of hard work. Deadlines have to be met and many extra hours have to be put into the final works of the paper.

The staff has worked hard to put out the kind of paper that they feel the student will enjoy reading.

D.E.C.A.

Left to Right: V. Groom, L. Branch, L. Beeson, L. Salazar, S. Lowry, E. Plumley, J. Spencer, L. Keller, V. Passmore, J. Lansa, L. Ahasteen, E. Scott, S. Flanagan, K. Meleham, T. Easley, J. Sanchez, V. Mazon, M. Aragon, J. Gonzalez, D. Padilla, C. Valenzuela, N. Osegueda, Y. Tafoya, B. Graybeal, I. Sena, Y. Mendoza, I. Sanchez.

D.E.C.A. in its tenth consecutive year, is an organization of the upperclassmen of Winslow High School who are enrolled in the Distributive Education classes. However, it is not restricted to the Winslow area alone, since it is a national organization. Anyone in the club has as many opportunities as anyone else, and there are plenty of these opportunities. These opportunities range from job investigation to competitive events. State and National conferences allow each student to compete with others in several areas related to the world of business. It also provides help for the needy. D.E.C.A. this year provided a Christmas Party for some of the more underprivileged children of our community. D.E.C.A. is for people who are concerned about the business world, themselves, and other people.

Key Club is an organization sponsored by the Kiwanis Club of Winslow. Each year the senior members of the club vote on new members for the club. These applicants must show qualities of leadership, honesty, and loyalty. Key Club is led by Rob Neill, Pres; Mark Faucher, Vice-Pres; Steve Zukowski, Sec; Roger Jones, Tres; and Jeff O'Haco, Sgt-at-arms. The officers and other seniors led the club on with spirit and many many money making projects for the community.

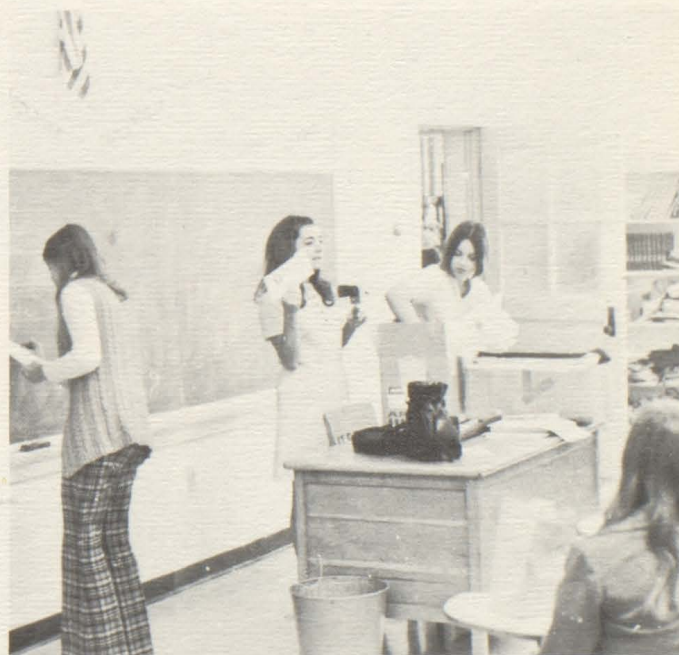

S-CLUB

Front Row: Polly Caine, Cindy Kidd, Mari Faucher, Susie Keller, Susan Copsey, Susie Hancock, Frances Orozco, 2nd Row: Vicki Littrell, Monica Clark, Elaine Peterson, Katrina Carpenter, Jo Letts, Cindy Van Patten, Annette Beaty, Laura Bertino.

The purpose of S-Club is to give volunteer service to the community and school. They serve other clubs, organizations and groups within the community.

This year the S-Club members participated in many activities. They served at the Kiwanis breakfast and at several athletic banquets. During Christmas they sacked candy, sang carols at Sambo's, and decorated the city Christmas tree. Among many other services, the members also collect money for the heart fund drive.

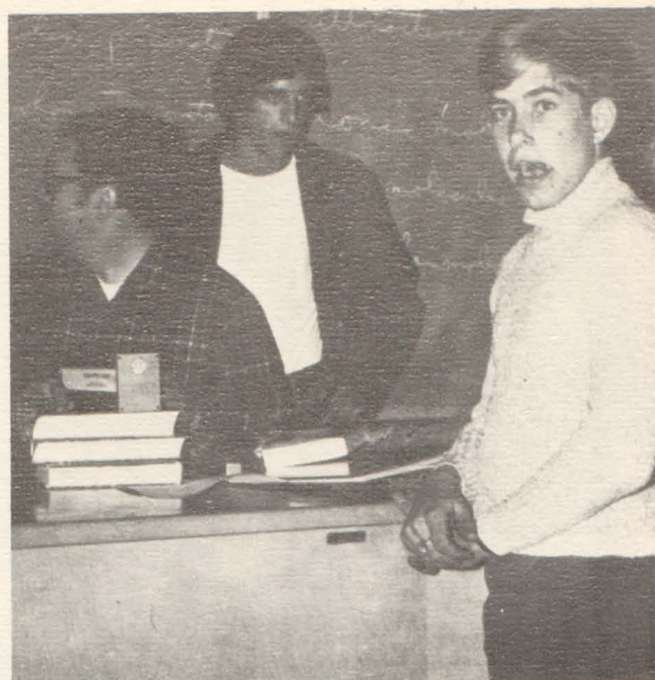

91 Miss Squires, sponsor of S-Club, teaches the meaning of service to the club members.

The Science Club was organized in 1945 to not only stimulate a strong interest in the field of science but also to prepare students for future vocational goals.

In striving for this aim, the sponsor, Mr. Dryden, and the club members have promoted interest in various science fields which include the computer, optical and physical sciences.

These interests were further amplified by club members participating in individual and group projects. These projects, along with interesting demonstrations, provided Science Club with a very informative and fun year.

AQUÍ SE HABLA ESPAÑOL

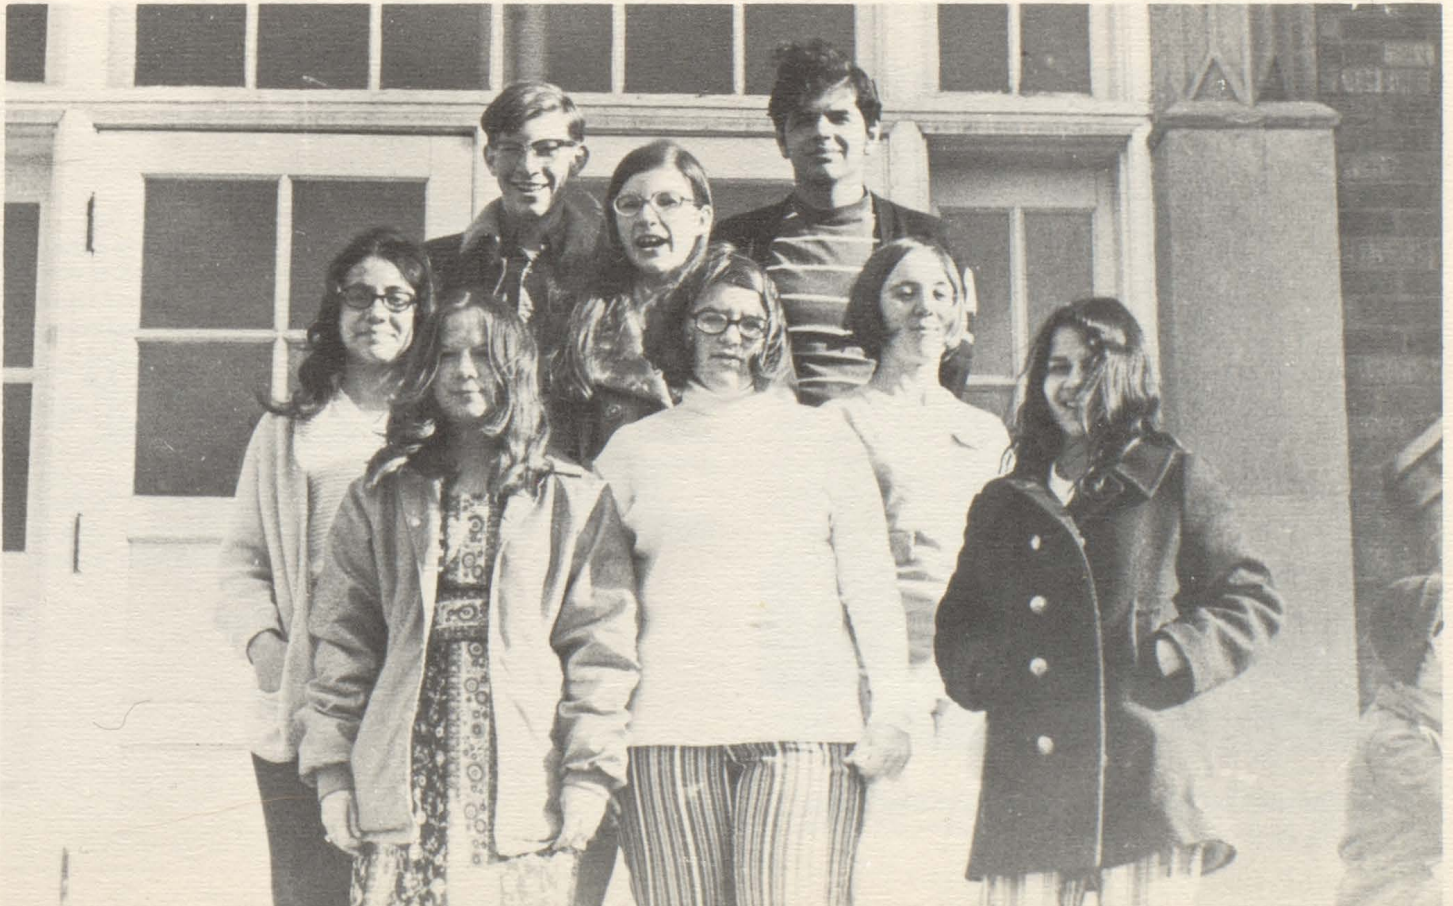

Jeannette Moore takes minutes at the noon meeting.

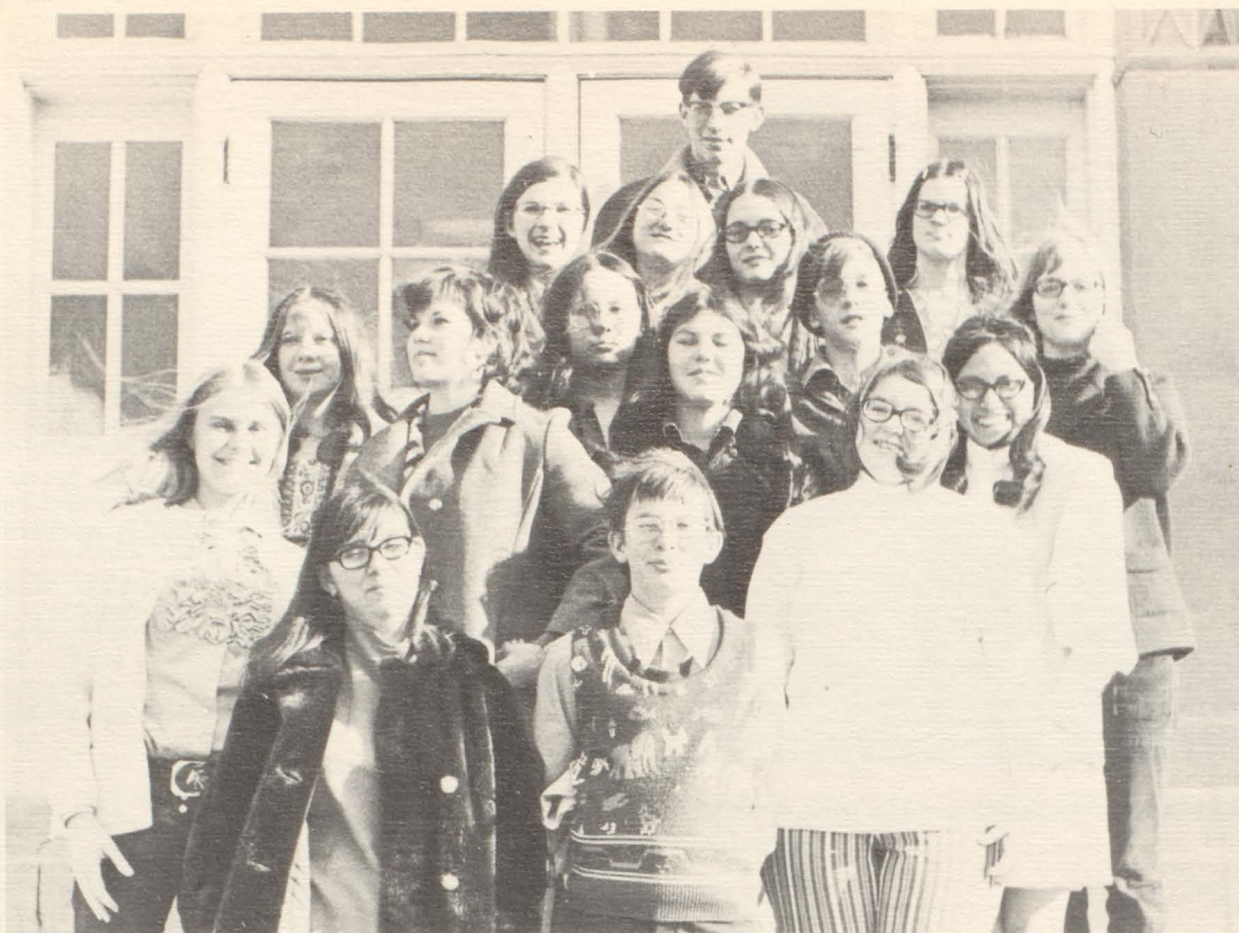

The purpose of Spanish Club is to provide its members with a working knowledge of the Spanish language and to undertake an informative study of Spanish traditions and customs. This year, Spanish Club has cultivated a strong interest in its members as shown by an active participation in Spanish related areas.

During the year, the club financed some of their activities through such projects as a tostada sale. A Christmas party was also held.

REACH-OUT

Catherine Breeze points out an incident in the Bible to prove her argument.

Reach-Out functions on campus as a forum for ideas and fellowship for Christian students and teachers. In weekly meetings, Reach-Out members heard several exciting and stimulating guest speakers. At other times, members participated in a survey of the Old Testament. One of the major highlights of the year's activities was a Christmas party sponsored by the club for the 66 children of the Winslow Headstart Program. Another annual activity is the spring social given in honor graduating seniors.

The membership is open to all students, faculty members and visitors are always welcome.

They hosted a tournament in March and earned first place out of eight participating schools. The club helped put on the first musical play in several years; "You're a Good Man Charlie Brown". The club also performed several Christmas plays. A small scholarship is awarded to the graduating senior who earns the most points.

FUTURE TEACHERS OF AMERICA

F.T.A. stands for Future Teachers of America. The club's name may be a bit misleading because not all of its members plan on entering the teaching profession. The purpose of the club is to acquaint members with opportunities in the teaching field as well as to help others understand that education is everybody's responsibility. Now more than ever before we need to involve all aspects of society in education. Business and Community leaders must be concerned with the problems facing education.

N.O.T.

The Nurses of Tomorrow Club (N. O. T.), is tailored to meet the needs of the Sophomore, Junior and Senior student interested in any of the many branches of the medial field not just nursing.

The aim of the club is to learn good physical and mental health habits. It is also to give each member an advanced insite into the field of medicine so they may be sure they are suited for the profession they are about to choose--the members have many fun activities also.

Sue Wong donates a book for the book sale, which will go toward an N. O. T. Scholarship.

This year the 1971-1972 meteor statt was at it again. Every day in the sixth period, room 15 is a crowded area with the noise of busy people and typewriters. Each contribution to the production of the school annual comes from the members of this class. The annual class is really hard work, and it's members work hard to put out information which will aid as a reference in the future.

G.A.A.

G.A.A. is an organization for all girls interested in sports. This year the emphasis is on tennis, track, and physical fitness, but a girl can work in any other sport that she finds particularly interesting. The girls can earn points by spending some of their free time hiking, bike riding, horseback riding, or at some other physical activity. If they earn enough points, they will receive a G.A.A. medal. The girls learn how to work together and they also learn the importance of being physically fit.

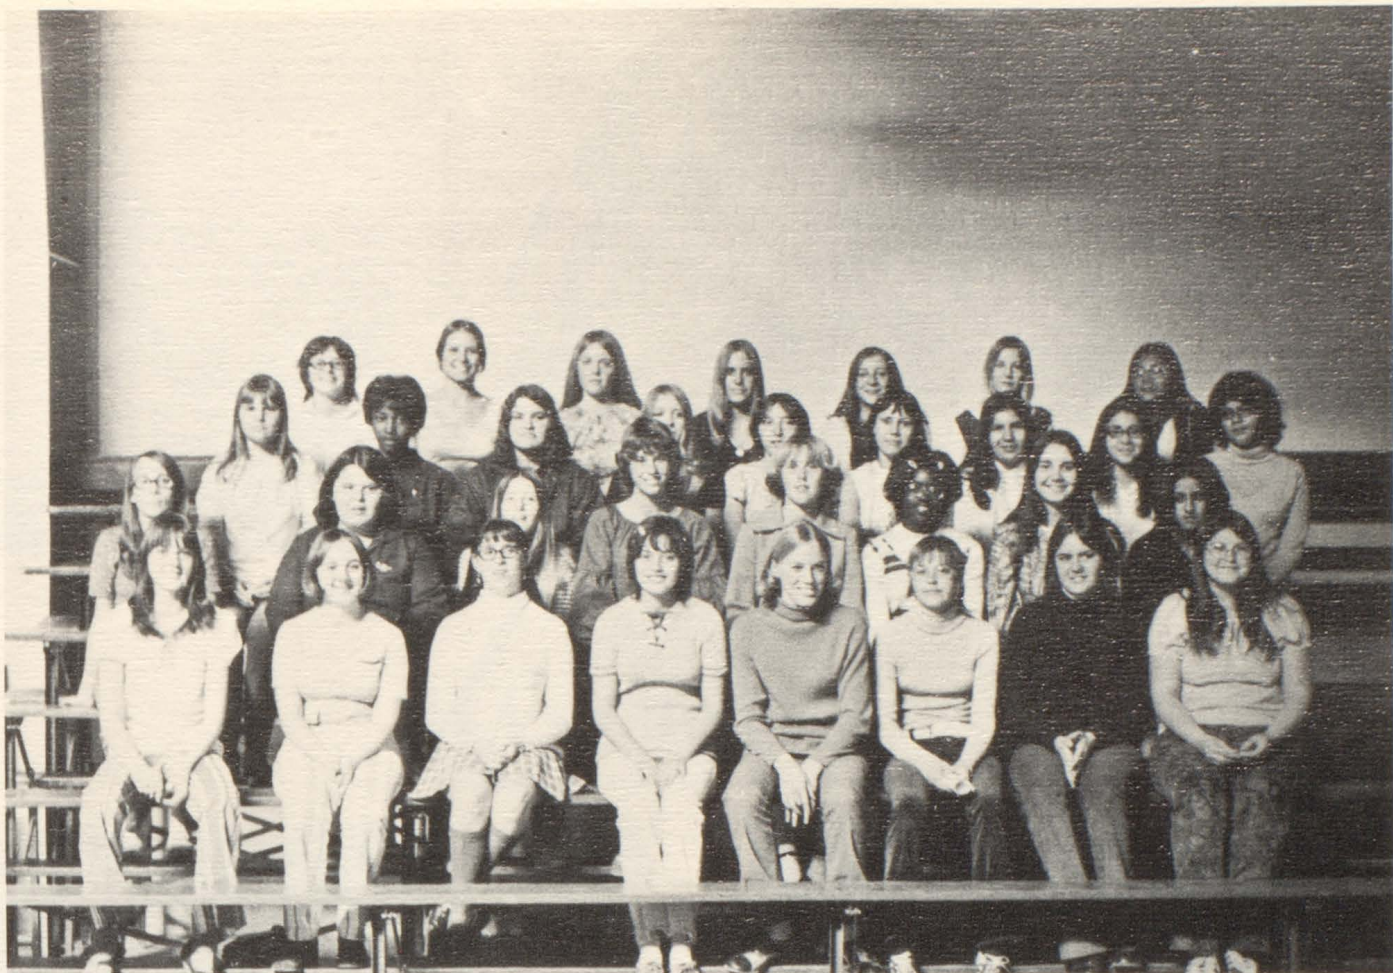

Mary Benham, Cydney McLaws, and Mrs. Clubbs discuss future plans for G.A.A.

The Boy's (alias Men's) Rooting Association helped to boost school spirit by their active participation in rooting and yelling and screaming and stomping and crying and rejoicing at all the home basketball games, as well as equally outstanding performance at the home wrestling matches. To show pride in this usefull club, the members made special B.R.A. T-shirts to wear to the games and matches. When they were worn to the games, is was obvious that they were representative of the club. However, little old ladies, (and even tall young ladies) got quite a start when they saw one of the members wearing his shirt outside of the gym. There were comments such as: What does that young man have on his shirt? What is this generation coming to? The immorality of today's youth! All kidding aside, however, the B.R.A. was useful in raising school spirit. Their active participation during the '71-72 school year showed that there were, indeed, students who wished to support their athletic teams by rooting for them.

PEP SQUAD

Any girl who is interested in promoting school spirit may be member of Pep Squad. Pep Squad members design spirit signs for the stadium, gym and busses, sponsor pep rallies and assemblies and are responsible for Homecoming activities. The girls worked very hard this year to extend their support to the spring sports of baseball, track gymnastics and golf. They also helped during sports events by ushering reserve seat sections, holding finish line tapes and measuring distance in track.

METEORETTES

The Meteorettes are a group of girls who perform at halftime shows, and pep assemblies. They perform dance routines to some of the latest rock music. To add excitement to their routines they work with pom poms, torches, and other attractive accessories. The Meteorettes must be able to do the splits, turn a cartwheel, and know a routine.

The Meteorettes are coached by Mrs. Sue Hysong. The group practices with the band during marching season, and with records at other times. LaDonna Stearns and Diane Hartz were elected co-captains.

Mr. Summersgill directs the band (with his eyes closed!)

Under the direction of Mr. Summersgill, band displayed a wide variety of entertainment for the school and community. Band had nine people earn a one at all-state. They performed many concerts, and went on tour in Phoenix. The tour proved very successful, and everyone involved had a great time. The band played at Payson, Marcos de Niza high school (Tempe), and Dysart. The calandar sales exceeded one-thousand dollars, all of which went to provide for the food and lodgings for the tour. Since the students earned the money themselves, they really appreciated the great opportunity they had. All in all, the 71-72 year proved very eventful and gratifying for the band.

The band intensely reads their music.

Mr. Summersgill lectures to an attentive orchestra class.

Orchestra worked hard during 71-72 to make a name for themselves. In their various concerts and activities, such as selling fruitcakes, playing for the musical, "You're a Good Man Charlie Brown," and other activities, orchestra showed that they were sincere in their determination to accomplish something; and they had fun doing it! Under the direction of Paul Summersgill, orchestra ended the year with many great achievements, and an overall improvement of its music. Orchestra officers were: Pres: Tom Rice, Vice Pres: Kenny Conatser, Sec., Treas: Paul Thomas, Rep: 1st sem. Mike Hesser, 2nd sem, George Higginson

Winslow goes in for the tackle.

The Junior Varsity football squad had a very good season with a record of 6 win, 1 loss, and 1 tie. The Junior Varsity Bulldogs while scoring a season's total of 148 points, in an 8 game season, allowed their opponents only a grueling 48 points. With the completion of the season, records show that the Junior

Varsity squad allowed their opponents a high singular game score of 8 points. The Bulldogs started their season off with a traditional first game against the Holbrook Roadrunners. They ripped the Roadrunners with a score of 20-0, to then continue for a four game winning streak. The Bulldogs then, in one of

They were then defeated by the Coconino Panthers, by a very small margin of 2 points, in which the Panthers scored their only points in the last quarter. Winslow's J.V.'s in one of their more easy games

breezed by the Chinle Wildcats in a score of 26-0. Next the Bulldogs faced the tough Triple A Gallup Tigers, although underdoged the Bulldogs came through in a score of 19-8. They had a very good season.

Winslow's Varsity squad this year was young, but mighty. The squad was backed up by six seniors, two juniors, three sophomores, and one freshman. Although the team placed only fourth at state, it captured first in District.

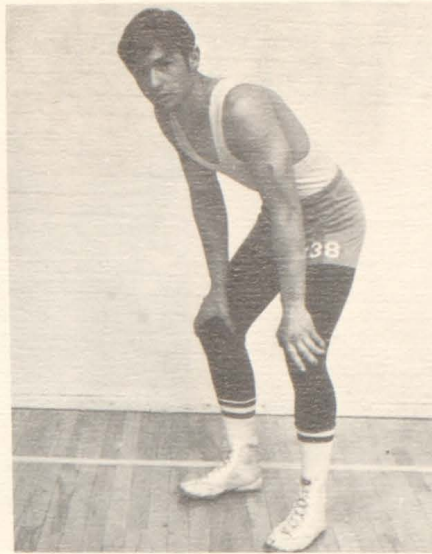

The outstanding Varsity wrestler this year was probably Tommy Martinez, who placed second at state. The team overall had 4 wins and 2 losses. Congratulations Winslow Varsity Wrestling.

Coconino 41 to 15 to finish their season. The team backed up by Juniors and Sophomores show a very good promise for another state championship team in the year of 1973.

The Winslow Bulldogs basketball team got off to a slow start, but, by the Christmas Tournament, put things together and captured 2nd place, the best Winslow has finished since the beginning of the tournament in 1964. In the Holiday Tournament the Winslow cagers defeated two unbeaten teams but fell short to Holbrook in the Championship game.

The Bulldogs ended the season with a record of ten wins, fourteen losses. The Bulldogs took 3rd place in the District I Tournament. To attain 3rd place the Bulldogs first had to defeat the tough Phoenix Indians. They succeeded in defeating the Indians with a score of 81 to 49, they continued on through the tournament with one loss and 1 more win in scores of 72-87 to Coconino, with Coconino the winner, and 69 to 60 win over Kingman.

Among these, Rob Neill set a new school discus record. With all these accomplishments behind them, the team went on to the state "AA" track meet, where they competed against Bisbee for the state title. It was a great year as this is the first year for Winslow to become the 1972 State "AA" champs.

Golf is a fairly new sport at W.H.S. This year's golf team was coached by Carl Weatherton. Leading the team this year was Mark LeGate, John Daly, Neal Carver, and John Allen. There were no Seniors on the squad this year, so next years golf team should be much stronger, Coach Weatherton has worked hard with his team this year, and his efforts are being paid off. The team may not have won all their meets, but the main thing is they always PUTT everything they have into it. Congratulations golf on a job well done.

Max Hathaway nine irons onto the green.

The fall of 1971 was the first year that W.H.S. participated in interscholastic volleyball and twenty four girls started the season. The varsity team played

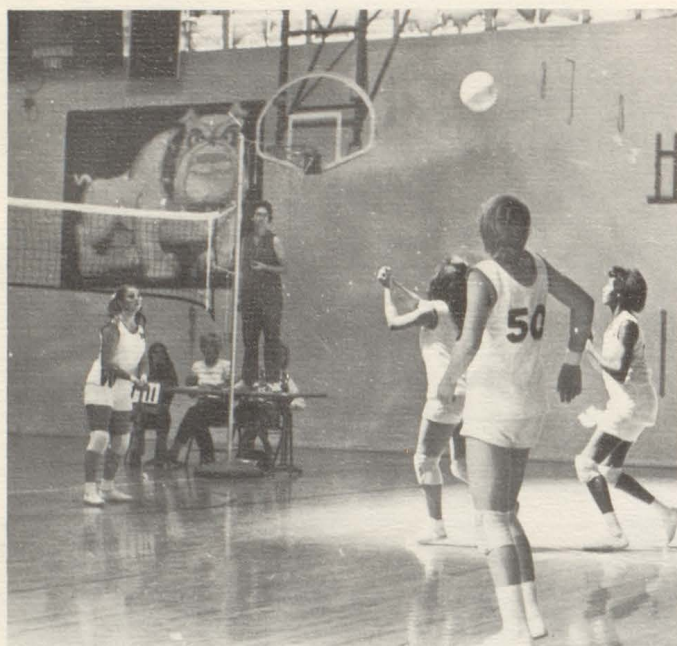

eight matches, four at home and four away, with four other schools: Mingus, Flagstaff, Coconino, and Joseph City. They also competed in the Division Tournament against Agua Fria. The Junior Varsity played six matches. Altogether it was a successful season for the beginning of a new sport.

Do We Really Need Nine Hundred Hoover Dams?

No. Because natural gas is with us. But it would take the power output of *more than* 900 Hoover Dams to equal the energy flowing through the nation's natural gas pipelines each day.

Over 797,000 miles of gas pipelines now criss-cross the country. Which isn't surprising when you consider that more than 28,000,000 American families are heating with gas. Not to mention those who use it for cooling, cooking, water heating and clothes drying. Or the 26,000 ways in which 168,000 industrial plants are using it.

More than a million new customers each year are turning to gas because it does these modern jobs more efficiently. More dependably. For less money. So who needs 900 Hoover Dams?

If you want the job done right  ... do it with gas.

As the end of another school year nears, the hours get longer. Time seems to drag in every class except for the annual department. There will never be enough time to put all the happenings of one year down of paper.

The little things that are just a part of the past are brought alive. Photographers are around every corner, taking those candid shots. The smiles, the laughs, the tears, all are presented in this book.

The 1972 Meteor was put together for your enjoyment. I truly hope that it holds endless memories for you as it does for me. I hope the annual has captured the 1971-72 school year in the best way. As editor, I thank you for helping make the 1972 school year the best one ever.
